OVERVIEW

Geographically, Malaysia is almost as diverse as its culture. 11 states and 2 federal territories (Kuala Lumpur and Putrajaya) form Peninsular Malaysia which is separated by the South China Sea from East Malaysia which includes the 2 states (Sabah and Sarawak on the island of Borneo) and a third federal territory, the island of Labuan. Our multiculturalism has made Malaysia a gastronomical paradise and home to hundreds of colourful festivals.

ABOUT REDANG ISLAND

- Redang is located 45km off the coast of Kuala Terengganu.
